

# Pennies from Heaven

Arthur Johnston and lyrics by Johnny Burke

G# Cm Bdim7 A#dim7

Ev'ry time it rains, it rains

C# D#7

Pennies from heaven.

G# Cm Bdim7 A#dim7

Don't you know each cloud contains

C# D#7

Pennies from heaven?

G#7 C# F7

You'll find your fortune falling all over town;

A#7 D#7 D#9

Be sure that your umbrella is upside down.

G# Cm Bdim7 A#dim7

Trade them for a package of

C# D#7

Sunshine and flowers;

G# Cm G#9 G#7

If you want the things you love,

C# C#/C A#m

You must have showers.

C# C#/C A#m Fm C# C#9 Cm7 F7

So when you hear it thunder, don't run under a tree;

A#7 D#7 G#

There'll be pennies from heaven for you and me.
