

There's Always Me

Don Robertson

When the evening shadows fall, and you're
wondering who to call, for a little company.
There's always me.

If your great romance should end, and you're
lonesome for a friend.

Darling, you need never be... there's always me.

I don't seem to mind somehow... playing second
fiddle now.

Someday you'll want me, dear, and when that day
is here..

Within my arms you'll come to know, other loves
may come and go.

But my love for you will be, eternal-ly... look
around and you will see... there's al-ways me.

(Ahhhhh- aaahhh-aaahhh-aaahhh)..(Fade.)
